

Garden of Eden

BY MARIAM JOYCE GRISHAM

Instructions: Remove these pages from the magazine, mount them on heavy paper, then cut out the trees, sword, and figures on the heavy solid lines. On each tree and figure, fold the tabs back along the broken lines,

and tape or glue the ends together to make a finger puppet. Use these puppets to help you tell the story of Adam and Eve in a family home evening lesson or Primary talk (see Genesis 2:15–25; 3).

Note: *If you do not wish to remove pages from the magazine, this activity may be copied, traced, or printed from the Internet at www.lds.org. Click on Gospel Library.*
