

ELDER BEDNAR *Visits Central America*

The Apostles minister to people around the world and teach them about Jesus Christ.

In November 2019, Elder David A. Bednar visited Guatemala, Nicaragua, and Honduras. He shared his testimony of Jesus Christ with the children and their families.

A girl in Guatemala asked him a question. He answered and gave her a hug. He told her to do her best to follow Jesus.

Sister Bednar traveled with her husband and spoke to members and missionaries.

Elder Bednar spoke with missionaries in Honduras and answered their questions.

In Nicaragua, this boy and his father were excited to hear Elder Bednar speak.

Thousands of other people came to hear him too!

I hope children will understand the covenants and ordinances they will receive in the temple, so they can always remember and honor them.*
