

## Jesus Is My Savior

Jesus was resurrected on Easter morning. Read the sentences to find out what He has done for us. Color in a sun ray after you read each sentence. Then color the rest of the picture.

Jesus suffered in Gethsemane and on the cross to save us from our sins.

Jesus died and was resurrected to save us from death.

Jesus gave us the sacrament to help us remember Him.

Jesus taught us to forgive others.

Jesus showed us how to be kind.

Because of Jesus, we will all be resurrected after we die.
